**RESPONSE TO NOTICE TO COMPLY WITH REQUIREMENTS FOR
PATENT APPLICATIONS CONTAINING
NUCLEOTIDE SEQUENCE AND/OR AMINO ACID SEQUENCE DISCLOSURES**

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the "Notice to Comply with Requirements for Patent Applications
Containing Nucleotide Sequences and/or Amino Acid Sequence Disclosures" mailed 08 August,
1999 (copy enclosed), Applicants submit the following Sequence Listing and Remarks.

Remarks

Replacement and Renumbering of Pages:

Please enter the attached 8 pages of printed Sequence Listing as new pages 1-8. The enclosed printed "Sequence Listing" should replace the sequence listing pages 70-1 through 70-9 submitted November 30, 1998.

The printed Sequence Listing is identical to the Sequence Listing submitted in machine-readable form. No new matter is added. This paper is submitted to comply with the United States Patent Office rules governing gene sequences.

In the unlikely event that the transmittal letter is separated from this sequence listing and the U.S. Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this sequence listing to our Deposit Account No. 03-1952 referencing docket number 337462000600. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: November 12, 1998 By:
